The Coast Guard's Employee Portal
Pilot update: 29 Jan 2003

Program Manager: LCDR Stevens
Project Officer: LT Shelton

Coast Guard Employee Portal Objective

- Dramatically improve CG employees' productivity through access to critical information, ability to process transactions themselves, and their ability to collaborate and learn

- Methodology: Provide a consistent, efficient framework and mechanism to manage content: including posting & using content, and measuring effectiveness of content's support of mission performance

Brief

- Current Status
- DHS Issues
- Demo

Current Status

- ✓ Application is now running in Staging Environment
- ✓ Benchmark with US Air Force; DHS
- ✓ 20 Enterprise Publisher/Developers trained 17 Dec 02
- ✓ Underway assessment on CGC Spencer
- ✓ 20 Unit Publisher/Developers scheduled for 23 Jan 03

DHS Portal Impacts

- Internal Portal
- Recommend participating with DHS portal providing high level CG info for sharing with DHS employees.
- Recommend CG portal stay on track to meet CG internal objectives.

- External Portal
- Recommend migrating CG internet content to DHS portal
- After migration, shut down CG WWW system & reprogram $$.

Coast Guard

Guardian of the Seas

Since its founding as the Revenue Cutter Service in 1790, the United States Coast Guard has unfailingly provided vital services and benefits to America because of its distinctive blend of humanitarian, security and law enforcement, diplomatic and military capabilities.

General Defense Duties of the Coast Guard

For more than 210 years, the Coast Guard has served the nation as one of the five armed forces. Throughout its distinguished history, the Coast Guard has enjoyed a unique relationship with the Navy. By statute, the Coast Guard is an armed force, operating in the joint arena at any time and functioning as a specialized service under the Navy in time of war or when directed by the President.

Port Security
We Do That, Every Day...

U.S. Coast Guard waterside security patrols conduct around-the-clock security operations on the Cape Fear River at the North Carolina State Pier in Wilmington. They have conducted patrols since January 21 when the USNSs Denebola and Regulus pulled into the port. Military equipment is being loaded on the ships in support of the President's global war on terrorism efforts. U.S. Coast Guard Photo By PA3 Krystyna Hannum
